

### REMARKS

Claims 48-89 are currently pending in this application. Claims 1-47 were previously canceled. After the entry of this Amendment, claims 48-63, 68-78 and 86-89 remain, and claims 64-67 and 79-85 are withdrawn. No claims have been amended or canceled.

In the Office Action, the Examiner required that the application be restricted to either the species in Fig. 6, Fig. 13, Fig. 14, or Fig. 16. In response, the Applicants elect the species of Fig. 6. The claims that read on this species are claims 48-63, 68-78 and 86-89. Claims 64-67 and 79-85 are withdrawn without prejudice to either add them back if a generic claim is allowed, or to file one or more divisional applications thereon.

Applicants' undersigned attorney is available to discuss the application in a telephone conference during normal business hours if the Examiner believes it would expedite the prosecution of the application.

Respectfully submitted,

Casimir F. Laska  
Reg. No. 30,862
